

**DATE:** July 8, 2016  
**DIRECTIVE NO:** 32-16  
**RECISSION:** La Cooperativa Directive No. 10-09  
**TO:** All La Cooperativa Subrecipients  
**SUBJECT:** Incident Reporting

**PURPOSE:**

The purpose of this directive is to inform all Workforce Innovation and Opportunity Act (WIOA) subrecipients of the requirements and procedures to report criminal activity committed by staff, subrecipients, or program participants and non-criminal complaints, such as mismanagement and waste of funds to La Cooperativa, the California Employment Development Department (EDD), and the Department of Labor's (DOL) Office of Inspector General (OIG) and San Francisco Regional Office of the Employment and Training Administration (ETA).

**APPLICATION:**

This directive applies to subrecipients of programs funded with U. S. Department of Labor funding.

**REFERENCE:**

- Title 20 Code of Federal Regulations (CFR) Sections 683.620 and 683.720
- DOL Training Employment and Guidance Letter 2-12, Employment and Training Administration (ETA) Grant Recipient Responsibilities for Reporting Instances of Suspected Fraud, Program Abuse and Criminal Conduct (July 12, 2012)
- State Directive Number: WSD12-18, Subject: Incident Reporting, Date: June 12, 2013

**DEFINITIONS:**

Complaint, for this directive only, means criminal complaint and noncriminal complaints accepted by the DOL as incidents, such as gross waste of funds, mismanagement and dangers to the public health and safety.

Employee/Participant Misconduct should be considered as actions occurring during or outside work hours, that reflect negatively on the Department of Labor, the State and the WIA program or its purpose, and may include, but are not limited to, conflict of interest or the appearance of conflict of interest involving outside employment, business and professional activities, and the receipt or giving of gifts, fees, entertainment, and favors; misuse of federal property; misuse of official information; and other activities that might adversely affect the confidence of the public regarding the integrity of government.

Fraud is any deceitful act or omission, or willful device used with the intent to obtain some unjust advantage for one party, or to cause an inconvenience or loss to another party. Types of fraud include embezzlement, extortion, forgery, theft, theft of participant checks solicitation and receipt of bribes (kickbacks), and falsification of records and claims regarding trainees (e.g., knowingly enrolling ineligible participants), intentional payments to contractors without the expectation of receiving services, and payments to ghost enrollees. Criminal fraud is a type of larceny and is punishable under both federal and State law as a felony. Civil fraud is subject to tort actions under civil laws.

Gross Mismanagement is defined as actions, or situations arising out of management ineptitude or oversight, which lead to a major violation of contract provisions and/or which severely hamper accomplishment of program goals. These include situations that lead to waste of government resources and put into serious jeopardy future support for a particular project. This category includes, but is not limited to, unauditable records, unsupported costs, highly inaccurate fiscal and/or program reports, payroll discrepancies, payroll deductions not paid to the Internal Revenue Service and the lack of internal control procedures.

Misapplication of Funds is defined as any use of funds, assets, or property not authorized or provided for in the grant or contract. This category includes, but is not limited to, nepotism, political patronage, use of participants for political activity, intentional services to ineligible enrollees, conflict of interest, failure to report income derived from federal funds, violation of contract provisions, maintenance of effort violations, and the use of WIA funds for other than WIA purposes. Note: a report must be filed when it appears that there exists an intent to misapply funds rather than merely a case of minor mismanagement.

Standard of Conduct Violations are violations of terms and conditions stipulated in the subgrant agreement. The relevant stipulations in the subgrant agreement are General Assurances, Employment of Former State Employees, Conducting Business Involving Relatives, Conducting Business Involving Close Personal Friends and Associates, Avoidance of Conflict of Economic Interest, and Maintenance of Effort.

Subrecipient, for this directive, means a recipient that does not receive WIOA funds

directly from the State.

**BACKGROUND:**

DOL and EDD require that allegations and complaints involving criminal fraud, waste, abuse or other criminal activity be reported immediately through DOL's Incident Reporting System to the OIG with a copy simultaneously provided to EDD and ETA. Complaints of a noncriminal nature, such as mismanagement and gross waste of funds, may also be reported through DOL's Incident Reporting System.

**Within one workday of detecting an incident, a written incident report must be submitted on the attached form or similar document containing the requested information. Submit the incident report simultaneously to:**

Action will not be taken against any complainant for disclosing information concerning criminal or improper activities or making a valid complaint to proper authorities. Complainants may remain anonymous. If a complainant considers that his or her position will be compromised by reporting information via an incident report, he or she may send the report directly to the OIG.

#### **PROCEDURES:**

Each subrecipient shall establish appropriate internal procedures to prevent and detect fraud, abuse, and criminal activity. These procedures must include a reporting process to ensure that La Cooperativa, EDD and DOL are notified immediately.

Internal procedures must be in writing and include the designation of a person on the subrecipients' staff who will be responsible for such notifications.

Subrecipients detecting the presence or appearance of fraud, abuse, or other criminal activity must obtain sufficient information to provide a clear, concise report of each incident. Reports must be made on the attached form and include a statement of all facts, known at the time, as well as any known or estimated loss of WIOA funds resulting from the incident. The submission of an incident report should not be delayed, even if all facts are not readily available. Any facts subsequently developed by the subrecipient are to be forwarded in a supplemental incident report.

The reporting procedures do not supersede the responsibility for subrecipients to safeguard WIOA funds by taking prompt and appropriate corrective action when any evidence of a violation of WIA or its implementing regulations is found.

Whenever the entity reporting the allegation of an incident believes that immediate action to prevent further financial loss or other damage is necessary, or recovery of funds or property may be impeded if immediate action is not taken, the reporting entity has the responsibility to take any action it deems appropriate, including contacting the local law enforcement agency. **Any immediate action taken or planned by the subrecipient must be reported to reporting entities listed above when the incident report is submitted or amended.**

#### **ACTION:**

La Cooperativa and its subrecipients shall follow this policy. This policy shall remain in effect until such time that a revision is required.
